

*Special Session*  
**RF Labels for Wireless Identification and Sensing**

SESSION ORGANIZERS

**Prof. Simone Genovesi** ([simone.genovesi@unipi.it](mailto:simone.genovesi@unipi.it)), University of Pisa, Italy

**Dr. Filippo Costa** ([filippo.costa@unipi.it](mailto:filippo.costa@unipi.it)), University of Pisa, Italy

*ABSTRACT*

The session aims to discuss the most recent advancements, challenges and future directions of RF technologies for the design and implementation of labels (e.g. RFID, chipless RFID, printed tags and passive wireless solutions), to be adopted for wireless identification and sensing.
